

Forklift Mechanic

City Brewery is currently seeking applicants for the position of Forklift Mechanic.

Primary responsibilities are completing repairs and performing preventative maintenance on approximately 100 vehicle fleet including battery changing and charging equipment. Position is responsible for maintaining all records and files associated with repairs, PM work and parts ordering and inventory. Position works closely with Packaging Maintenance and Warehouse Departments regarding repairs, scheduling and equipment needs. Will also assist with long range planning and budgeting and will deal directly with vendors and service providers as needed.

Applicant must be team oriented with excellent problem solving and communication skills. Must feel comfortable using a computer for data entry. Must be available for weekend overtime.

Ideal candidate has minimum 3 years' experience maintaining gas and battery powered fork lifts, scissors lifts, Mark lifts, and floor scrubbers/sweepers. Welding/fabrication experience required. Pneumatic, hydraulic, electrical experience preferred.

Candidates will be required to complete post-offer drug screen and physical capacity exam. This position offers an excellent wage and benefit package.
