

PROCESS MAINTENANCE SUPERVISOR

City Brewing Company, a leading beverage manufacturing company located in La Crosse, WI has an immediate opening for a self-motivated and team oriented Process Maintenance Supervisor to join our Engineering department.

This position is responsible for evaluating new and existing processes, developing preventive maintenance programs for equipment and facilities maintenance, contributes to Company wide continuous improvement projects, and provides daily communication and direction to mechanics. Emphasis is placed on the hands-on approach to the above.

Candidate should have proven experience in process maintenance, preferably in a beverage or food production facility. Candidate should have experience in frontline supervision, knowledge of OSHA regulations and excellent organizational skills.

Minimum Associate's Degree in related field preferred, but will consider combined documented training, certifications and/or relevant work experience. Must be computer literate and have working knowledge of maintenance management software. Special consideration will be given to candidates with knowledge of CAD, CMMS, and brewing operations.

City Brewing Company provides a competitive salary and benefit package that includes: Health, Life, Dental and Long Term Disability Insurance; Section 125; 401(k); and more. If you are interested in joining our team, send your resume, including salary requirements, to:
