

## **Brewing Supervisor**

City Brewing Company, a leading manufacturer in the beverage industry, has an immediate opening for a Brewing Supervisor. This position will work afternoon and evening shifts.

Responsibilities include overseeing day-to-day shift operations with completion of filtration and brewing schedule requirements while ensuring quality and TTB compliance. This position is responsible for troubleshooting production issues, personnel management including daily shift communication, and inter-departmental communication related to the brewing operation on third shift. Position is responsible for daily recordkeeping, review of quality assurance data and will assist with inventory management. This position is responsible for maintaining and ensuring compliance with safety and sanitation procedures.

Candidates should have proven experience in a beverage or food production facility, preferably with knowledge of brewing operations. Candidates should possess strong background in frontline supervision and employee relations, be self-motivated and team-oriented, and demonstrate excellent communication skills. Experience working in a Union environment helpful. Candidates must be willing to work overtime and weekends. Must be computer literate. Associate Degree in a related field preferred, but will consider documented training and/or certifications in combination with minimum 2 years hands-on brewing or batching experience.
